Material Safety Data Sheet
May be used to comply with
OSHA's Hazard Communication Standard,
29 CFR 1910. 1200. Standard must be
consulted for specific requirements.

IDENTITY (As Used on label and List)
Durham's Rock Hard Putty

Section I
Manufacturer's Name
Donald Durham Company, Inc.
Address (Number, Street, City, State, and ZIP Code)
PO Box 804
Des Moines, Iowa 50304-0804

Emergency Telephone Number
515/243-0491

Telephone Number for Information
515/243-0491

Date Prepared
6/3/98

Signature of Preparer (optional)

Section II — Hazardous Ingredients/Identity Information
Hazardous Components (Specific Chemical Identity, Common Name(s))
Nuisance dust

OSHA PEL  ACGIH TLV Other Limits Recommended % (optional)
15 mg/m³ total or 5 mg/m³ respirable dust >99%

Section III — Physical/Chemical Characteristics
Boiling Point

None

Specific Gravity (H₂O = 1)

Not known

Vapor Pressure (mm Hg.)
None

Melting Point

None

Vapor Density (Air = 1)

Evaporation Rate (Butyl Acetate = 1)

None

Solubility in Water
Not freely soluble

Appearance and Odor

Cream-colored powder; Little odor

Section IV — Fire and Explosion Hazard Data
Flash Point (Method Used)
None

Flammable Limits
Not flammable

LEL
None

UEL
None

Extinguishing Media
None needed

Special Fire Fighting Procedures
None needed

Unusual Fire and Explosion Hazards
None

(Reproduce locally)
Section V — Reactivity Data

Stability Unstable Conditions to Avoid

Section VI — Health Hazard Data

Route(s) of Entry: Inhalation? Skin? Ingestion?

Yes No No

Health Hazards (Acute and Chronic)

Mechanical eye and skin irritation is possible, but not likely. Prolonged exposure to excessive quantities of dust can result in lung damage.

Carcinogenicity: NTP? IARC Monographs? OSHA Regulated?

No No No

Signs and Symptoms of Exposure

Inhalation of high concentrations may cause mechanical irritation and discomfort. Repeated overexposure can cause chronic effects.

Medical Conditions

Generally aggravated by exposure. Excessive exposure to any dust may aggravate pre-existing respiratory conditions.

Emergency and First Aid Procedures

Eyes: flush with plenty of flowing water. Get medical attention if irritation persists.

Skin: Wash off with water. Inhalation: Remove to fresh air. Ingestion: Unlikely to cause effects

Section VII — Precautions for Safe Handling and Use

Steps to Be Taken if Material is Released or Spilled

Not a RCRA waste. Use vacuum to clean up spillage. If appropriate, use gentle water spray to wet down in order to minimize dust generation. Dispose of according to state and local regulations.

Waste Disposal Method

Follow state and local regulations.

Precautions to Be Taken in Handling and Storing

Avoid generating dust. Use respiratory protection in the absence of adequate engineering controls.

Keep containers closed when not in use. Clean up spills promptly

Other Precautions

None known

Section VIII — Control Measures

Respiratory Protection (Specify Type)

NIOSH-certified for dusts

Ventilation Local Exhaust Special

Yes No Other

Mechanical (General) Other

No No

Protective Gloves

Yes

Eye Protection

Yes

Other Protective Clothing or Equipment

None needed

Work/Hygienic Practices

Avoid generating dust.
