

SECTION 16025  
CODES, FEES, AND STANDARDS

PART 1 GENERAL

1.1 CODES AND FEES

- A. Unless specifically noted to the contrary, the Contractor shall furnish all equipment, materials, labor, and install and test in accordance with the Florida Building Code.
- B. The Contractor shall comply with applicable building and construction codes currently in effect including all local, state and federal requirements for the building type and classification.

1.2 STANDARDS

- A. All materials shall be new, free of defects, and shall be U.L. listed, bear the U.L. label or be labeled or listed with an approved, nationally recognized Electrical Testing Agency. Where no labeling or listing service is available for certain types of equipment, test data shall be submitted to prove to the Engineer that equipment meets or exceeds available standards.
- B. Florida Tech Campus Standards shall apply unless otherwise indicated.

1.3 UTILITY COMPANY FEES, CHARGES, COST

- A. It is the contractor's responsibility to contact the appropriate Utility Company to determine if any fees, charges or costs will be due, as required by the Utility Company for temporary power In/Out installations, hook-ups, etc. This fee, charge, or cost and all the usage charges for the temporary power shall be included in this contractor's bid price.
- B. The contractor shall pay all costs, charges, or fees due to the contractor's use of Florida Tech's owned electrical service.
